MEMORANDUM

TO: BOARD OF DIRECTORS OF LAS VEGAS-CLARK COUNTY LIBRARY DISTRICT FOUNDATION, INC.

FROM: KUTAK ROCK LLP

DATE: 7/21/2017

RE: TRANSACTION DOCUMENTS FOR NEW MARKETS TAX CREDITS TRANSACTION RELATED TO THE CONSTRUCTION OF THE EAST LAS VEGAS LIBRARY PROJECT

A. New Markets Tax Credit Transaction

Kutak Rock LLP has been engaged by Las Vegas-Clark County Library District Foundation, Inc. (the “Foundation”) to assist the Foundation with the structuring of the new markets tax credit (“NMTC”) transaction related to the construction of the East Las Vegas Library (the “Project”) and to review transaction documents related thereto. In order to meet the requirements of the NMTC program (the “NMTC Requirements”), the financing associated with NMTC transaction must provide a benefit to a low-income community, as that term is defined in Section 45D of the Internal Revenue Code of 1986, as amended, and the related regulations.

B. Documents Reviewed on Behalf of the Foundation

On behalf of the Foundation, we have reviewed the following documents that will be signed by the Foundation in conjunction with the NMTC financing and which will facilitate the construction of the Project. We have included a brief summary of each document which is intended to convey the main purpose of the document and is not intended to be a comprehensive summary of the business or legal points of the documents:

1. Grant Agreement – this agreement documents the grant of $11,335,600 from The Las Vegas-Clark County Library District (the “District”) to the Foundation and states the purpose of the grant. This agreement also includes an assignment of the Fund Loan Agreement and related documents from the Foundation to the District. As of the date of this memorandum, Capital One (the “Investor”) has not agreed to such assignment.

2. Fund Loan Agreement – this document evidences the agreement between the Foundation, as lender, and COCRF Investor 99, LLC (the “Investment Fund”), as borrower, for the Foundation to make a $11,335,600 loan to the Investment Fund (the “Fund Loan”). All proceeds of this loan will be advanced to the Investment Fund on the date of closing.

3. Fund Promissory Note – this document is not signed by the Foundation but it evidences the Investment Fund’s obligation to repay the Fund Loan. The one
original copy of this note will be delivered to the Foundation after closing and is a
negotiable instrument. This note should be kept in a secure location while the
Fund Loan is outstanding.

4. **Fund Pledge Agreement** – the collateral securing the Fund Loan is a pledge of
the Investment Fund’s Limited Liability Company interest in LVCIC Sub-CDE IV, LLC (the “Lender”). This agreement documents this collateral pledge.

5. **Community Benefits Agreement** by and among the Lender, the East Las Vegas
QALICB, Inc., and the Foundation – this document lists the required community
impact goals that the Borrower and Foundation will attempt to attain through the
NMTC financing. It also lists the reporting requirements related to these goals.

6. **Officer’s Certificate** – this certificate is signed by an officer of the Foundation
stating that the organization documents attached to the certificate are the current
organizational documents of the Foundation and certifying that the signature of
the authorized person is their signature and that the authorized person holds the
office that is stated in the certificate.

7. **NMTC Resolutions** – these resolutions are passed by a quorum of directors of
the Foundation and certified by the Secretary and authorizes the transaction,
approves the documents and designates the person authorized to sign agreements
on behalf of the Foundation.

8. **QALICB Tax Credit Indemnification Agreement** – pursuant to this agreement,
the Borrower and the Foundation agree to indemnity the Investor for losses
suffered from a tax credit recapture caused by the actions of the Borrower or
Foundation.

9. **Debarment Certificate** – the certificate states that the Foundation is not barred
from entering into transactions with the government or transactions which involve
a government subsidy.

10. **Environmental Indemnity** – pursuant to this document, the Borrower and the
Foundation agree to indemnify the Lender for liabilities the Lender incurs due to
violations of environmental laws at the Project.

11. **Flow of Funds Memorandum** – this spreadsheet will be signed by all transaction
parties to authorize the required deposits and withdrawals on the day of closing.

12. **Opinion Certificate for Local Law Opinion** – this certificate is signed by the
Foundation and contains certain representations required by local counsel to
support the local law opinion required for this NMTC transaction.

C. **Compliance with NMTC Program and Benefit to Low-Income Community**

After review of the current drafts of transaction documents as of the date of this
memorandum, we have determined that the transaction documents comply with the NMTC
Requirements. Additionally, if the Project is completed and operated in compliance with the transaction documents we reviewed as of the date hereof, we expect the Project to meet the NMTC Requirements and that the Project will provide a benefit to the low-income community in which the Project is located.

Please let us know if you would like to discuss any of these issues further or if we can be of any other assistance.
