Coverage to Consider

In evaluating your exposures to loss, we have been dependent upon information provided by you. If there are other areas that need to be evaluated prior to binding of coverage, please bring these areas to our attention.

Specifically, we ask that you review the following items:

- | | |
|---|--|
| Higher limits: | In today's litigious society, many businesses have found it necessary to increase the limits of liability to ensure they are adequate to protect their assets in the event of a loss. Higher limits of liability may be available. Please carefully review the limits to ensure your level of comfort with the limits. |
| Cyber liability/ network security: | Media & Content liability: Damages and defense costs arising from claims of libel, copyright or trademark infringement, or defamation; damages to a website by a hacker or disgruntled employee |
| Excess/umbrella liability: | This coverage provides additional protection when your business or organization exceeds insurance limits on an underlying policy. |
| Pollution legal liability: | This coverage helps mitigate the environmental risks that come with owning or operating a real estate facility or site. We can design a policy to provide coverage for pre-existing unknown conditions, new conditions, on-site and off-site third-party coverage for cleanup costs, bodily injury, and property damage. |

Evaluating Financial Strength and Capacity of Insurance Markets

USI Insurance Services' objective is to place Clients risks with insurers that are financially sound. In assessing the financial strength of insurers, USI Insurance Services relies upon statutory financial statements as well as the opinions and assessments of recognized rating agencies and other carrier review companies. USI Insurance Services authorizes insurers that it believes, at the time of placement, have the financial ability to fulfill their claim payment obligations to our clients. USI Insurance Services is not a guarantor of the solvency of insurers with which its brokers place business. However, our goal is to use reasonable measures to do business with financially healthy insurers. Our recommendations are based on financial and other relevant information that is available at the time of placement.

USI Insurance Services has appointed a group of experienced insurance professionals to serve on a Market Security Committee. This Committee is responsible for establishing and utilizing guidelines for the selection of insurers and supporting employees in their efforts to utilize financially sound insurers. In assessing the financial strength of insurers, the Committee relies upon the opinions and assessments of recognized rating agencies and other carrier review companies.

USI Disclosures

Surplus Lines DISCLOSURE: Insurance is issued pursuant to the Surplus Lines Laws. Persons insured by Surplus Lines Carriers do not have the protection of the Insurance Guaranty Act to the extent of any right of recovery for the obligation of an insolvent unlicensed insurer. Surplus Lines policies that are subject to audit provide for additional premium charges, but may not allow for return premium.

Information Concerning Our Fees: As a licensed insurance producer, USI is authorized to confer with or advise our clients and prospective clients concerning substantive benefits, terms or conditions of insurance contracts, to sell insurance and to obtain insurance coverages for our clients. Our compensation for placement of insurance coverage, unless otherwise specifically negotiated and agreed to with our client, is customarily based on commission calculated as a percentage of the premium collected by the insurer and is paid to us by the insurer. We may also receive from insurers and insurance intermediaries (which may include USI affiliated companies) additional compensation (monetary and non-monetary) based in whole or in part on the insurance contract we sell, which is contingent on volume of business and/or profitability of insurance contracts we supply to them and/or other factors pursuant to agreements we may have with them relating to all or part of the business we place with those insurers or through those intermediaries. Some of these agreements with insurers and/or intermediaries include financial incentives for USI to grow its business or otherwise strengthen the distribution relationship with the insurer or intermediary. Such agreements may be in effect with one or more of the insurers with whom your insurance is placed, or with the insurance intermediary we use to place your insurance. You may obtain information about the nature and source of such compensation expected to be received by us, and, if applicable, compensation expected to be received on any alternative quotes pertinent to your placement upon your request.

Terrorism Risk and Insurance Act 2015 (TRIA) coverage options

The Terrorism Risk Insurance Act establishes a program within the Department of the Treasury, under which the federal government shares, with the insurance industry, the risk of loss from future terrorist attacks. The Act applies when the Secretary of the Treasury certifies that an event meets the definition of an act of terrorism. The Act provides that, to be certified, an act of terrorism must cause losses of at least 5 million dollars and must have been committed by an individual or individuals, as part of an effort to coerce the government or population of the United States.

The United States Government, Department of the Treasury, will pay a share of terrorism losses insured under the federal program. The federal share equals 85% of that portion of the amount of such insured losses that exceeds the applicable insurer retention. This will decrease to 80% by 2020.

The Terrorism Risk Insurance Act, as amended in 2007, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses in any one calendar year exceeds \$100 billion. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced. If insured losses are less than \$27.5 billion (\$37.5 billion by 2020), the government is required to recoup 140% of government outlays. There are instances in which the level of loss would not require the government to recoup outlays, but it would retain the authority to do so.

In accordance with the Terrorism Risk Insurance Act, we are required to offer you coverage for losses resulting from an act of terrorism **that is certified under the federal program** as an act of terrorism. The policy's other provisions will still apply to such an act.

See the section of this notice titled **Selection or rejection of terrorism insurance coverage**. If you choose to accept this offer of coverage, your premium will include the additional premium for terrorism as stated in this disclosure.

Failure to pay the premium by the due date will constitute rejection of the offer and your policy will be written to exclude the described coverage.

Notice of Surplus Lines Placement

Dear Steve,

We have offered you insurance coverage with Indian Harbor Insurance Company, Allied World & Tokyo Marine Specialty. We want you to know that this is a surplus lines insurer, and that it does meet the financial strength requirements that we usually require of insurers with whom we place our customer's risks.

We exercise caution in placing insurance with a surplus lines insurer, because in the event this insurer becomes insolvent, the provisions of the state insurance guaranty associations **will not** apply. The state insurance guaranty associations provide for the payment of certain covered claims (up to a certain dollar amount) when a carrier becomes insolvent, but this protection is **not** available for surplus lines insurers.

Indian Harbor Insurance Company is rated A +XV Allied Word A X Tokyo Marine is A++ XV by AM Best , an independent insurer-rating organization that evaluates the financial strength of insurers. Insurers are not required to obtain a rating, and ratings are not a guarantee of an insurer's financial status. Some insurers who became insolvent have previously had high ratings; however, ratings are a tool that helps us make an objective evaluation of an insurer.

We want you to have this information so you can make an informed decision about whether to have your insurance placed with Indian Harbor Insurance Company, Allied World & Tokyo Marine Specialty. If you should have any questions regarding this surplus lines placement, please contact me directly.

Thank you for your careful consideration of this matter.

Very truly yours,

Brandon Lewis, CPCU, ARM
USI Insurance Services.

General Provisions

Please read this document carefully, and advise if any provisions contained herein are unclear or incorrect, and advise your USI (“USI Insurance Services”) team immediately if any coverage is not reflected correctly or if any risks or potential risks have not been identified.

This document states the A. M. Best Company rating for each listed insurance company. Ratings are based on overall performance and financial strength. Performance ratings range from a low of “C-” to the highest rating assigned, “A++.” Some insurance companies are subject to “Not-Assigned” categories. Financial size categories range from “I” (up to \$1,000,000 in surplus) to “XV” (\$2,000,000,000 or more in surplus).

Admitted insurance companies afford certain regulatory protection not extended to non-admitted insurance companies. For example, your state’s Insurance Guarantee Association does not offer its loss protection to non-admitted insurance companies in the event of insolvency.

When, in USI’s judgment, it is necessary or beneficial to do so, we will utilize the services of other intermediaries, sometimes referred to as Wholesalers or Managing General Agents (MGA’s), to assist in accessing coverage for insureds or prospects. Such wholesale intermediaries may or may not be affiliated with USI, and would be compensated by the insurance company out of insured-paid premiums.

In some instances, insurance coverage placements made by USI require the payment of state surplus lines tax and fees, in addition to the insurance premium itself. USI will attempt to identify any such applicable tax and fees in advance of requesting coverage bound. In all instances, however, payment of any surplus lines tax and fees is the sole responsibility of the insured.

“Claims Made” Coverage Notice

Some of the quotes provided in this proposal **may be** offered on a Claims Made or a Claims Made and Reported basis.

A brief description of Claims Made and Claims Made and Reported forms is included below for your reference.

Claims Made

1. Under a **claims-made** form, the policy that is in effect at the time that a claim is made against you is the policy that will respond to that claim, regardless of when the wrongful act occurred (subject to any retroactive date). This differs from an **occurrence** form, which responds to claims resulting from accidents, incidents or injuries occurring while the policy was in effect, regardless of when a claim for damages is brought.
2. If your policy has a **retroactive date**, the wrongful act must have occurred after the retroactive date in order for the policy to respond to a claim.

You may have the right to purchase an extended reporting period (ERP) endorsement if the policy is cancelled or not renewed. This endorsement will provide a period of time to continue to report claims that arise resulting from wrongful acts that occurred after any retroactive date and before the end of your policy period. The ERP (often called “tail” coverage) must be requested within a specific time frame and the additional premium, which typically is required prior to the tail period begins, is fully earned.

Claims Made and Reported

A type of claims made policy in which a claim must be both made against the insured and reported to the insurer during the policy period for coverage to apply.*
