Treasurer Mac introduced Bryce Loveland of Brownstein Hyatt Farber Schreck who has been retained as legal counsel for the Foundation. Treasurer Mac explained that Mr. Loveland has read the investment policy and made some recommended edits that she is in agreement with and she would like for him to explain those changes to the board.

Mr. Loveland asked that the board refer to item seven in their board document packet, the Foundation Investment Policy, with his edits noted in red. He reviewed each of his recommended changes and additions, explaining the rationale behind each one, and inviting questions from the board at any time. He also stated that the Investment Policy should be periodically reviewed approximately every three to five years for any changes that need to be made to accommodate any changes and/or growth within the organization.

There was discussion of the edits and all questions were answered by Mr. Loveland to the satisfaction of the board members. Mr. Loveland also stated that he will review the contract of the chosen investment manager to ensure that there are no hidden fees.

He agreed, and President Crear requested that this item then be moved up in the agenda to number six and the review of financial statements be moved to item seven, all board members agreed.

President Crear thanked Treasurer Mac and Director Pourciau for all of the time and effort that they have put into the investment policy documents. She then turned the discussion over to Treasurer Mac.

Treasurer Mac directed the board to the narrative summary of the recommendations for an investment manager along with a decision matrix of the information that quantifies the rating for each investment manager candidate. She requested that the board look at both documents simultaneously.

Treasurer Mac reviewed the factors that the Finance Committee considered along with the decision-making process and gave explanations to the board for the ratings that each candidate received in every category of the decision matrix. She then concluded that based on the quantitative analysis, TD Ameritrade scored the highest among the candidates.

Treasurer Mac asked if there were any questions from the board, either about the process or the scoring. Hearing no questions, Treasurer Mac made a motion to accept the recommendation of the
Review Financial Statements (Item VII)

Treasurer Mac reviewed the high-level summary of the unaudited financial statements for the year ended June 20, 2019 along with the detailed profit and loss statements for the same time period. She stated that the financial results are fairly consistent with those of FY 2017-2018, with no significant changes or fluctuations from the prior year.

Treasurer Mac explained that Foundation has engaged the firm Hilburn and Lein to conduct the FY2018-19 audit, which is currently in progress, and prepare the Foundation’s tax filings. The results of the audit will be presented to the board at the November 13th meeting.

President Crear asked if there were any questions from the board, all replied no.

Board Discussion and Action to approve the 2019 V. 2020 awards (Item VIII)

Ms. Milam explained to the board that the V.2020 awards were established in 2017 at the recommendation of President Crear to recognize exemplary library staff that have implemented programs and services that accelerate the Library District’s V.2020 strategic plan. The new service model of the Library District is moving from one of transactions to one of learning experiences and every year at staff day the V.2020 awards are given to staff who are embracing this concept.

Ms. Milam continued that she, President Crear, and Director Crome met to review the 8 submitted applications and the recommendation from that group are four awards. Last year the Foundation gave the awards based on how they aligned with the four pillars of the V.2020 plan. This year we focused more on how the work is getting done.

Ms. Milam reviewed all of the winning applications and explained their 4 programs to the board. She noted that the winners spanned from an individual, to a branch group, to a project that involved multiple departments in the District, and a final project that involved training both inside and outside of the Library District.

President Crear added that it was very difficult to choose the winners from all of the great applications, and every year she is amazed by the creativity of the Library Staff. She would also ask Dr. Heezen to assist with emphasizing to the Library District Trustees the importance of replicating these programs District-wide.

President Crear made a motion to approve the 2019 V.2020 awards.
Dr. Heezen seconded the motion, all voted in favor.

**Board Discussion and Action to approve moving forward with a Donor Cultivation Event in September 2020 (Item IX)**

President Crear told the board members that the Foundation would like to have its first donor cultivation event in order to raise funds for the Foundation to augment the grant funding that we already receive. She asked that each board member think of what role they would be comfortable in and to think of how they could best assist with the event.

Ms. Milam explained that the event would be held at the East Las Vegas Library and would showcase the new V2020 service plan. The event would be for donor cultivation and she would like for each board member to provide ten to twelve names of individuals that would be interested in seeing the work that the Library District is doing. She said that the Foundation will contract with Mary Thomas to oversee the logistics of the event, and there will be additional costs beyond the contract for food, alcohol, and entertainment. The event would be held on September 25, 2020 and would include interactive stations that highlight the activities that go on at the East Las Vegas Library. Ms. Milam stated that Felipe Ortiz, President of the Library District Board of Trustees, is also willing to assist with the event.

Ms. Milam continued that the main focus of the fundraising will be for both program and capital support. The ask will not be high pressure at the event, it will be more of an informational evening.

She asked if the board had any questions about the viability of the event. Director Benavidez asked what is the target number of attendees. Ms. Milam replied that 150 to 200 would be ideal, and that the Foundation can also use this event to reach out to Latino owned organizations that might want to sponsor the event.

President Crear asked if there were any more questions about the event or if anyone had reservations about going forward with it. She added that if anyone would like to sit on a committee to assist with the event, please let her know.

Hearing no other questions or comments President Crear made a motion to approve moving forward with the Donor Cultivation Event in September 2020. All voted in favor.

**Announcements (Item X)**

President Crear announced that Staff Development day is October 14 at the Texas Station. All are invited to attend, the V.2020 awards will be given out at 3:30 pm. She then announced that the November 12th meeting has been changed to November 13th and at that meeting we will review the audit.

President Crear also stated that as new board members join the Foundation, it would be a good time to develop a Board of Directors

Roll Call (Item I) Ms. Milam called the meeting to order at 10:30 a.m. All members listed above represent a quorum.

Public Comment (Item II) None

Committee action to accept proposed agenda (Item III) Treasurer Mac moved to approve the proposed agenda. President Crear seconded the motion. All voted in favor, motion carried.

Committee discussion and action to review Investment Management Decision Matrix and make a recommendation on the Foundation’s investment management firm (Item IV) Treasurer Mac stated that the purpose of this meeting is to examine the decision matrix and evaluation factors that were used to recommend an investment manager for the Foundation’s funds. She stated that the memo included in the finance committee packet summarizes the information in a narrative form and the decision matrix summarizes the same information in a quantitative numerical fashion.

Treasurer Mac began by reviewing the narrative and explaining the ratings received by each investment management firm for each evaluation factor. At the conclusion of the discussion of the narrative, Treasurer Mac then reviewed the decision matrix, explaining the reasoning behind the scores of each firm in each category.

Treasurer Mac asked if there were any questions or comments. President Crear had no questions and stated that she thought the information was very clear, concise, and thorough, which will show
the Board of Directors that the final decision will be evidence-based and unbiased.

Treasurer Mac concluded that after considering all factors, TD Ameritrade Windsor Capital Management scored the highest on the decision matrix and she recommends that they be engaged as the Foundation’s investment management firm.

Director Pourciau was unable to attend the meeting and as a member of the Finance and Audit Committee, asked that his memo be read to the committee as follows:

"I am in support of the evaluation, documentation and recommendation being put forth. After careful consideration of the evaluation, criteria and the respective significance TD Ameritrade/Windsor Capital appear to offer quality service and expertise as well as a versatile array of products that will support the Foundation’s immediate needs and provide optionality for future investment considerations. After scoring all three prospective offerings, this later point provided a key point of differentiation. Finally, their platform also appears to offers critical capabilities necessary to assign proper treasury checks and balances. "

Ms. Milam thanked Treasurer Mac for all of her work on this project and stated that the next step will be to present the recommendation to the full board of directors for a vote.

NOTE 1 - ORGANIZATION

Las Vegas-Clark County Library District Foundation, Inc. (the “Foundation”) is a nonprofit organization incorporated on October 15, 2002 and is located in Las Vegas, Nevada. The Foundation was formed to provide aid, support and assistance in the promotion, growth and improvement of the Las Vegas-Clark County Library District (the “Library District”).

The Foundation is governed by a Board of Directors (the “Board”) that shall have not less than three and not more than fifteen members of which two members shall, at all times, be appointed from the current membership of the Library District’s Board of Trustees, and the Executive Director of the Library District shall also, at all times, serve as a member in an ex-officio capacity.

Due to the significance of the Foundation’s operations and financial relationship with the Library District and the fact that the Library District management has operational (accounting) responsibility for the Foundation, the Foundation is reported as a blended component unit in the Library District’s annual financial reports.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

FINANCIAL STATEMENT PRESENTATION

The Foundation has presented its financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Foundation has presented an unclassified statement of financial position which sequences assets according to their nearness of conversion to cash and sequences liabilities according to the nearness of their maturity and resulting use of cash.

The Foundation classifies net assets, revenues, gains, and losses based on the existence of absence of donor-imposed restrictions. Net assets are classified and reported as follows:

Net Assets Without Donor Restrictions
Net assets that are not subject to donor-imposed restrictions. Items that affect this net asset category include contributions without donor restrictions, investment earnings that are not donor-restricted, expenses associated with grants made to the Foundation, and the operating activities of the Foundation. The Board of Directors has also established a Board-designated endowment (quasi-endowment) which is included in this category.

Net Assets With Donor Restrictions
Net assets restricted by donors to be used for certain purposes or for future periods, including donor-restricted endowments whose corpus is intended to be held in perpetuity.

Revenues are reported as increases in net assets without donor restrictions unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law. Expirations of restrictions on net assets (i.e., the donor stipulated purpose has been fulfilled or the stipulated time period has lapsed) are reported as reclassifications between the applicable classes of net assets.
NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

ACCOUNTING METHOD

The Foundation maintains its records on the accrual basis of accounting. Revenues are recognized when billed, not received and expenses are recognized when incurred, not paid.

The Foundation does not accrue for estimated future legal and defense costs, if any, to be incurred in connection with outstanding or threatened litigation and other disputed matters, but rather, records such as period costs when services are rendered.

CASH AND CASH EQUIVALENTS

Cash and cash equivalents consist of checking accounts, money market accounts, and highly liquid investments purchased with an original maturity of three months or less. The carrying amount of these assets approximates fair value due to the short maturity of the instruments.

INVENTORIES

Inventory consists of books and other donated library materials. Inventory is stated at estimated market value. The estimated market value is determined by using an average fair market value of $1.00 and $0.75 per inventory item, as of June 30, 2019 and 2018, respectively.

CONTRIBUTIONS

As required under US GAAP, all contributions are recognized as support in the statement of activities in the period received, including bequests (once the Foundation’s right to them is established by a court and to the extent the value of the proceeds is subject to reasonable estimation). Non-cash (in-kind) contributions of securities, services, books and other materials are recorded at their estimated fair market value at the time of contribution.

Contributions are considered available for use without donor restrictions, unless they are restricted by the donors. The Foundation reports contributions of cash and other assets as restricted support if the contributions are either received with donor stipulations that limit the use of the donated assets, even when expended for their intended purpose within the same year, or if they are unavailable by their terms for expenditure in the current period.

When a donor restriction expires, that is, when a time restriction ends or when restricted funds have been expended for their intended purpose, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

INCOME TAXES

The Foundation is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC) and classified as a publicly supported charitable organization under Section 509(a)(1); therefore, donations qualify for a maximum charitable contribution deduction under IRC Section 170(b)(1)(A)(vi).

Because there are no known circumstances that would place the Foundation’s status as a tax-exempt organization in jeopardy, and because the Foundation does not engage in unrelated business income activities, and there are no known uncertain tax positions taken or to be taken, no provision has been made for income taxes. Tax years open under the statute of limitations are 2016, 2017, and 2018.
NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

STATEMENT OF CASH FLOWS

For purposes of the Statement of Cash Flows, the Foundation considers all highly liquid debt instruments with a maturity of three months or less to be cash equivalents.

USE OF ESTIMATES AND RECLASSIFICATIONS

The preparation of financial statements, in conformity with U.S. generally accepted accounting principles, requires management to make certain estimates and assumptions that affect amounts reported in the statements and accompanying notes. Assets, liabilities, and contingency disclosures require estimates as of the date of the financial statements. Revenues and expenses require estimates during the reporting period. Actual results could differ from those estimates. Certain minor reclassifications of prior year amounts have been made to conform to the current year presentation.

NEW ACCOUNTING PRONOUNCEMENT

During the year ended June 30, 2019, the Foundation adopted the requirements of the Financial Accounting Standards Board’s Accounting Standards Update (ASU) No. 2016-14 – Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities required for the Foundation’s year ended June 30, 2019. This update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return between not-for-profit entities. A key change required by ASU 2016-14 is the net asset classes used in these financial statements. Amounts previously reported as unrestricted net assets are now reported as net assets without donor restrictions and amounts previously reported as temporarily restricted net assets and permanently restricted net assets are now reported as net assets with donor restrictions. A footnote on liquidity and availability of financial assets has also been added (Note 7).

DATE OF MANAGEMENT’S REVIEW

In preparing the financial statements, the Foundation has evaluated events and transactions for potential recognition or disclosure through the date of the independent auditor’s report, which is the date the financial statements were issued.

NOTE 4 - OFF-BALANCE SHEET RISK AND CONCENTRATION OF RISK

The Foundation negotiated an agreement with the Las Vegas-Clark County Library District under which it manages and sells non-circulating library materials. The term agreement is effective for 5 years beginning on July 1, 2019 and ending on June 30, 2024. The Foundation conducts the resale services on behalf of the Las Vegas-Clark County Library District. The books and materials are sold through volunteer staffed bookstores located within Library District branches, online through third party vendors, and on occasion at community events. Revenue earned through this arrangement is classified as with donor restrictions for future use towards Library District programs. For the years ended June 30, 2019 and 2018, the Foundation recognized revenues of $336,973 and $287,426, respectively from this agreement.

The Foundation also receives and sells books donated by the public. Revenue earned from the sale of publicly donated books is classified as with donor restrictions.

The Foundation’s investments in Certificates of Deposit are all FDIC insured deposits ($250,000 limit) with a diversified group of banking institutions.

NOTE 6 - DONATED SERVICES AND RELATED PARTIES

A number of volunteers, including the members of the Board, have made significant contributions of time to the Foundation's policy-making, program and support function. The value of contributed time does not meet the criteria for recognition of contributed services under generally accepted accounting principles and, accordingly, is not reported in the accompanying financial statements. The total number of volunteer hours was 38,203 and 45,647 for the years ended June 30, 2019 and 2018.
NOTE 6 - DONATED SERVICES AND RELATED PARTIES (CONTINUED)

The Foundation routinely conducts business with the Las Vegas-Clark County Library District. On behalf of the Foundation, the Las Vegas-Clark County Library District pays for three part-time employees and their related benefits, office space, office equipment and bookstore facilities.

For the years ended June 30, 2019 and 2018, the Foundation incurred expenses of $725,849 and $961,206 in program related costs from restricted funds. Of these expenses, $527,950 and $863,209 was paid to Las Vegas-Clark County Library District, a related party.

In Fiscal Year 2018, the Board approved the establishment of an endowment fund. The Library District contributed $3,055,000 to the Foundation, to be held, managed, and distributed by the Foundation with the restriction that only earnings, and not principal, may be used. In addition, the selection of investments and the investment strategy of the endowment fund shall be subject to the review and approval of the Library District. As of June 30, 2019, the endowment fund consisted of:

NOTE 8 - NOTES RECEIVABLES AND NEW MARKETS TAX CREDIT TRANSACTIONS

During the year ended June 30, 2018, the Foundation entered into several transactions in order to make additional funds available to it through the New Markets Tax Credit ("NMTC") Program. The NMTC Program permits taxpayers to claim a credit against federal income taxes for Qualified Equity Investments (QEs) in designated Community Development Entities (CDEs). These designated CDEs must use substantially all of the proceeds to make Qualified Low-Income Community Investments (QLICIs). The tax credits are claimed over a seven-year period and equate to 39% of the qualified investment.

EAST LAS VEGAS LIBRARY

On July 26, 2017, the Foundation loaned $11,335,600 (the "Leverage Loan") to COCROF Investor 99, LLC (the Investment "Fund"). The Fund also received equity in the amount of $5,834,400 from a tax credit investor, Capital One, National Association ("CCE"). The Fund used the aggregate proceeds of the capital contributed to it and the Leverage Loan to make a $16,490,000 contribution of capital to LVCIC SUB-CDE IV, LLC (the "CDE"), which investment is expected to constitute a Qualified Equity Investments (QEI) (as that term is defined in Internal Revenue Code (IRC) section 45D) that is eligible for the NMTC Program, in exchange for a 99.9% equity interest in the CDE. The CDE entered into agreements and made loans to East Las Vegas QALICB, Inc., in an aggregate principal amount of $16,490,000. These proceeds were used to facilitate the construction of the East Las Vegas Library.

As a result, the Foundation recognized an $11,335,600 note receivable that bears interest at 1.0% per annum. This note is payable in annual interest only payments through July 26, 2024, and annual principle and interest payments thereafter through July 25, 2045.

MESQUITE LIBRARY

On December 20, 2017, the Foundation loaned $6,646,000 (the "Leverage Loan") to Chase NMTC Mesquite Library Investment Fund, LLC (the Investment "Fund"). The Fund also received equity in the amount of $3,354,000 from a tax credit investor, Chase Community Equity, LLC ("CCE"). The Fund used the aggregate proceeds of the capital contributed to it and the Leverage Loan to make a $10,000,000 contribution of capital to Clearinghouse NMTC (Sub 52), LLC (the "CDE"), which investment is expected to constitute a Qualified Equity Investment ("QEI") (as that term is defined in Internal Revenue Code (IRC) Section 45D) that is eligible for the New Markets Tax Credit ("NMTC") Program, in exchange for a 99.9% equity interest in the CDE. The CDE entered into agreements and made loans to Mesquite QALICB, Inc., in an aggregate principal amount of $9,800,000. These proceeds were used to facilitate the construction of the Mesquite Library and rehabilitation of the existing structure that will provide related community services including literacy improvement and workforce training.

As a result, the Foundation recognized a $6,646,000 note receivable that bears interest at 1.474424% per annum. This note is payable in quarterly interest only payments through September 15, 2024, and quarterly principal and interest payments thereafter through December 19, 2043.
ITEM VII: Election of Director

Per the By-Laws of the Las Vegas-Clark County Library District Foundation, Board Directors serve two three-year terms, or until their position on the board is filled.

Keiba Crear is happy to nominate a new Board Director, Nicole Rogers, to the board for the first term of three years, from November 2019, through June 2023.

Motion: Elect Nicole Rogers as Director for a three-year term as set forth above.
ITEM IX: Review of Financial Statements

As of September 30, 2019, the balance sheet shows a total income of $196,699.81 with $2,239.72 in unrestricted gifts from individuals and corporations; $60,493.55 in restricted gifts from individuals and corporations; $95,349.83 in restricted revenues from used book sales; and $38,616.71 in interest income.
