Find Support & Resources at the Library District

The Library District has partnered with the National Alliance on Mental Illness (NAMI) of Southern Nevada to provide two events in May that support this important issue.

Join us Wednesday, May 18 at the Sahara West Library for an [experiential workshop](#) on relaxation and coping skills for stress management. Representatives from NAMI will guide the class through exercises in deep breathing, gratitude, positive self-talk, guided imagery, grounding, progressive muscle relaxation, and mindfulness.

AND IMPORTANT TO NOTE: Did you know that in July 2022, the current 10-digit suicide prevention emergency hotline is being replaced? It will now be a simple three-digit number: [988](#).

Join us on Wednesday, May 25 at the Clark County Library to learn more about this new and easy to remember [988](#) number, which will take effect on July 16 and serve as the new suicide prevention, crisis services, and behavioral healthcare phone number.
