-Cricut projects

-Wacom drawing tablet,
-Robots,
-Sewing,
-Painting
-Homework
-& More!

Sunday Funday

Here at the BBTTC we love games and gaming! Play games, reskin an old favorite, check out Scratch to build your own, or if you're feeling particularly ambitious give Unity a try!

Movie Monday

We will be playing a different movie and teens can dissect them with staff. This is not your average movie review!

Take Care Tuesday's

Taking care of our mental health is important! Each different day will we have a different activity that focuses on mindfulness and various ways to cope with stress.

Team Build Challenge

Join us every Wednesday for a STEAM project we are building together. This build we are working with lights, coding, and mirrors. Stop by and check out this awesome project.

Poetry Promise

Teens get to work with local poets and try new styles of poetry they may not have tried before. This month's theme is 'Halloween Zine.'

GSA: Gay-Straight Alliance

Join fellow LGBTQIA+ teens and allies in this monthly meet up as we talk about better ways to support each other in a safe environment while having fun.

Art Lab

Each of these days focuses on making crafts! Disney Villains Lantern– Stop by make a cool lantern with our Cricut, Disney style! Pumpkin Bank Painting– We've got cute piggybanks in the shape of pumpkins that need painting! Cemetery Terrariums– Build your own graveyard to take home with you.

4-H Cosmetic Science

Youth will experience making their own skin care products with natural oils and organic ingredients; while learning proper measuring techniques, chemical reactions, and entrepreneurial skills.

Anime YAY!

Do you like anime or manga? Come hang out with us and talk about your favorites. We will also show an episode and there may be a fun activity too!

FreePlay Friday

Studies show that play is just as important as working hard. Teens are encouraged to play on our STEAM café, test our software they may have never used, or whatever is available that day.

Board on Saturday!

Need something to pass the time? Each week is a little different, and can vary from crafts to learning new software!

Reminders!

The Library will be closed Friday, October 28th.
