Find Music, Dance, Movies & More to Celebrate Native American Heritage Month!

Heritage months are the perfect time to learn about the diverse cultures that make up our community, and the library is the perfect place to discover these rich histories, perspectives, and cultural contributions. From live performances and crafts to new works by Indigenous authors, plus a streaming collection of films on Kanopy, you will find it at the library. Visit our Native American Heritage Month webpage for all the details.

Photo Exhibit: Through the Lenses of Locals

Las Vegas is fabulous for many reasons, and you can sample them all in a fascinating photo exhibition at Summerlin Library, now through January 2. The Focus on Nevada Photo Showcase features 32 photographs, which were specially selected for the Annual Desert Companion Focus on Nevada Photo Contest. Submitted by both amateur and professional photographers, these images represent the spirit of Nevada through our desert landscape and wildlife, signature Las Vegas architecture, and the people who live and work here.
