

Enjoy Hygge: The Danish Art of Living Comfy & Cozy

Pause for a minute while our own Rebecca Colbert shares the secret to unwinding from the holidays — and greeting the New Year genuinely refreshed.

Have You Been to The Writer's Room?

Let the Library District help you write and publish your own great American novel! Using our FREE tools, you can create, format, and submit your original work as an eBook to our new online, self-publishing collection, Indie Nevada. You can also attend our FREE workshops and online classes or promote your book at one of our book fairs! Discover all the ways that the Library District supports our local author community in [The Writers' Room](#) on our website.

Learn to Grow Food with Hydroponics

The Library District has teamed up with Green Our Planet to teach kids, teens, and adults how to grow their own vegetables, fruits, and herbs using hydroponics. This unique system allows you to grow plants in water-based nutrients instead of a traditional garden bed with soil. For more information and to [find a class near you](#), visit the [Hydroponics](#) page on our website.

And Don't Miss These Upcoming Events

Seating in our venues is on a first-come, first-served basis and may be limited. Please visit our [website](#) for the most updated program information.
