

Celebrate Black History Month @ The Library

Black History Month celebrates the diverse voices, histories, perspectives, and experiences of the Black community, and each February, we honor its rich culture and significant contributions to every aspect of American life. To commemorate this month-long celebration, the Library District offers a variety of FREE events and programs for kids, teens, and adults. From live concerts and dance performances, to author visits, art exhibits, and craft classes, we have something for everyone at our 25 unique branches.

Support Our Local Arts Community!

Discover new releases and unique artwork at the Authors & Artists Fair at Clark County Library on February 3. Meet dozens of local authors and artists in the theater lobby from 11 a.m. - 4 p.m., and have your books and artwork purchases autographed. Join us for workshops, an authors' panel discussion, chapter readings, a jam session, and the premiere of an independent film by a Las Vegas filmmaker. The fair is FREE and open to the public. Seating is on a first-come, first-served basis and may be limited. For more information, visit the <u>Authors & Artists Fair listing in our event calendar</u>.

Get FREE Tax Preparation Help from AARP at the Library

The Library District is pleased to partner with AARP to offer FREE tax preparation assistance at seven library branches. Individual appointments are available by appointment only from February 1 through April 30. For details, visit our website.
