Sunday Funday

Here at the BBTTC we love games and gaming! Play games, reskin an old favorite, check out Scratch to build your own, or if you're feeling particularly ambitious, give Unity a try!

Social Media Monday

Do you like ASMR? Do you like aesthetically pleasing time lapse videos? So do we! Let's learn together what goes into making content. These fun skills can easily carry over as something to put on your resume.

Team Build: STEAM

Together let's create a some really cool STEAM stuff. Work alongside staff and a doctoral robotics candidate as we learn the amazing world of STEAM!

Reach Media Wednesday

Participants create media that describe their personal experiences and gives voice to their ideas, feelings, and concerns. In addition, youth gain exposure through exhibition opportunities that showcase their perspectives.

Art Lab

Each Thursday, we will host an open lab to craft and create. Bring in your own personal project or use our supplies to make something great!

Addi Express: Beanie Maker

Make an appointment to learn how to use the Addi Express knitting machine! This one-on-one experience is 30 minutes per session. Teens who complete the training will be certified to use it on their own.

Board on Saturday!

Need something to pass the time? Come play board games with us!

GSA: Gay-Straight Alliance

Every month, our partner from Henderson Equality Center comes out to facilitate discussions, activities and projects based around equality. Whether part of the community or ally, we offer everyone a safe space to be themselves.

Poetry Promise

Do you write lyrics? Do you like to write poetry? Try new ways of expressing yourself with different styles of poetry.

Yoga

Clear your mind and center yourself with our series of yoga classes with a certified instructor.

Mindfulness with Therapy Dogs

Life can be stressful. Visit us and meet certified therapy dogs, they are excellent listeners.

Reminder!

The Library will be **CLOSED** March 31st.
