### Sunday Funday

Here at the BBTTC we love games and gaming! Play games, reskin an old favorite, check out Scratch to build your own, or if you're feeling particularly ambitious, give Unity a try!

### Mindful Monday

Mondays can be stressful. Take a breath with us to reset using mindfulness to make diving into the week a little less stressful.

### Team Build: STEAM

Together let's create a some really cool STEAM stuff. Work alongside staff and a doctoral robotics candidate as we learn the amazing world of STEAM!

### Reach Media Wednesday

Participants create media that describe their personal experiences and gives voice to their ideas, feelings, and concerns. In addition, youth gain exposure through exhibition opportunities that showcase their perspectives.

### Art Lab

Each Thursday, we will host an open lab to craft and create. Bring in your own personal project or use our supplies to make something great!

### Freeplay Friday

Fridays are our days to let loose and get silly. Join us for video game tournaments and more!

### Board on Saturday!

Need something to pass the time? Come play board games with us!

### Poetry Promise

Do you write lyrics? Do you like to write poetry? Try new ways of expressing yourself with different styles of poetry.

### Mindfulness with Therapy Dogs

Life can be stressful. Visit us and meet certified therapy dogs, they are excellent listeners.

### GSA: Gay-Straight Alliance

Every month, our partner from Henderson Equality Center comes out to facilitate discussions, activities and projects based around equality. Whether part of the community or ally, we offer everyone a safe space to be themselves.

### Clark County Green Week Events!

**Earth Day: Flower Lamps**—Make lamps with us as we discuss the importance of insects like bees and lady bugs in our ecosystems. RSVP for this event w/staff or online.

**Would You Survive: Desert Edition**—Learn tips and tricks to keep yourself if you find yourself in a desert.

**Decorate Reusable Water Bottles**—We will have a limited amount of reusable of water bottles for teens to decorate and keep. We will be featuring a discussion about microplastics and ocean pollution.

**Endangered Animals Posters**—By drawing from a jar, we will be making posters about endangered species. Join us for a conversation about those animals. Those who finish will receive a stuffed animal.

**Crafting: Reduce, Reuse, Recycling**—One person's trash is another person's treasure. If you have an eye to see potential in everyday objects, come create something great!

**Movie & Trivia: The Lorax**—We will be screening The Lorax and will feature trivia after the movie to close out the week. There will be a prize for first place.
