Sunday Funday

Here at the BBTTC we love games and gaming! Play games, reskin an old favorite, check out Scratch to build your own, or if you're feeling particularly ambitious, give Unity a try!

Mindfulness for Teens

Mondays can be stressful. Take a breath with us to reset using mindfulness to make diving into the week a little less stressful.

Art Lab

Each Monday, we will host an open lab to craft and create. Bring in your own personal project or use our supplies to make something great!

AVS Crew

AVS stands for audio visual shorts and this summer we will be focusing on the many aspects of filmmaking and podcasting. Let your passion be your guide and learn how to transform your vision into art.

Team Build: STEAM

Together let's create a some really cool STEAM stuff. Work alongside staff and a doctoral robotics candidate as we learn the amazing world of STEAM!

Music Production Bootcamp

Running until July 31th, our local producer Bradford is making a return for a special summer bootcamp. Learn how to use industry standard software and collaborate with other teens.

Teens must be ages 12-17.

Poetry Promise

Do you write lyrics? Do you like to write poetry? Try new ways of expressing yourself with different styles of poetry.

Freeplay Friday

Fridays are our days to let loose and get silly. Join us for video game tournaments and

Board on Saturday!

Need something to pass the time? Come play board games with us!

Mindfulness with Therapy Dogs

Life can be stressful. Visit us and meet certified therapy dogs, they are excellent listeners.

Anime Your Way w / Carlos Nieto

If you love anime and want to learn how to draw in that this class may be for you! Carlos will share tips and tricks to help you hone your craft. All levels welcome!

Otaku Dreams Maid Café

We are hosting a maid café! What is a maid café? It is an anime maid themed form of entertainment that features song performance, games, and light snacks. Seating is limited, sign up asap for this amazing experience. It will be in the Clark County Library's theater.

For teens ages 12-17.

Summer Challenge

What is summer challenge?
Summer Challenge is the District's summer reading program. Daily reading lowers stress, builds empathy, and bridges educational inequities. Creating a reading habit is key to long-term educational success, and the District is here to help. Read for at least twenty days this summer, and you'll build a healthy new habit that can reward you with exciting prizes.
