FREE KIDS FISHING LICENSE

Thanks to generous donations made by members of the public to the Nevada Youth License Fund the Nevada Department of Wildlife (NDOW) is offering youth combination (fishing/hunting) licenses to anyone 12-17 years old at no cost to them, while supplies last!

A youth combination license allows the holder to legally fish in Nevada for one year from the issuance date, and after completing a hunter education course would also allow the holder to legally hunt. NDOW regularly sells youth combination licenses to anyone 12-17 years old for \$15. Kids younger than 12 years old don't need a license to legally fish in Nevada!

Scan the QR code below, sign-up for an account and download an electronic copy of your license today!
