### **\*Anime Your Way**

**Thursday, July 18**

Anime Your Way is a comprehensive step-by-step drawing program developed over 10 years by former "The Simpsons" artist Carlos Nieto III that teaches you how to create and modify an anime character from scratch, no matter what your drawing level is!

For ages 12-17. Reservations can be made by calling the Youth Services desk at 702.507.3712.

### **\*Teen Sewing Lab**

**Saturday, July 27**

Learn the basics of sewing and become certified on our sewing machines. Safety lessons begin at 11:00 and sewing free time begins at 12:00. Must be in grades 6-12 to use the machines. Materials and guidance for your first two practice projects will be provided.

Ages 12 through high school. Space and supplies are limited.

**\*Please register for your spot in the safety lesson at the Youth Services Desk.**

For more information, please call 702.507.3712

### **\*Teen 3D Printing Camp**

**Tues-Fri., July 30 - Aug 2**

Calling all future engineers!

In this four day 3d printing camp, you will learn to design, create, and paint 3d printed creations with our 3d printer.

For ages 12-17. Reservations can be made online or by calling the Youth Services desk at 702.507.3712.

This is a four day camp that builds on skills each day. Participants will gain training to become 3D print certified on the first day, and all participants must be certified to use the 3D printer. Participants are encouraged to come to as many days as possible.

For more information, please call 702.507.3712

Register online:

### **Teen Craft Corner**

**Monday, July 1 & 15**

Join us in the Teen Zone for fun, new crafts on the first and third Mondays of the month. Express your creativity and learn new skills!

### **Teen Anime Club**

**Tuesday, July 23**

What's your favorite Miyazaki film? What manga are you reading? Come hang out and discuss all things anime with friends. Each month, we will also pick a different anime to discuss and watch.

### **STEAM for Teens**

**Monday, July 8 & 22**

From slime to geodes to bridge building, come explore STEAM concepts through fun hands-on projects. For grades 6-12.

### **Summer Teen Hangout**

**Wednesdays in the Homework Help Center**

Teens take over the Homework Help Center! Come play video games, make buttons, create art, use our laptops, or just hang out with friends.
