Sunday Funday

Here at the BBTTC we love games and gaming! Play games, reskin an old favorite, check out Scratch to build your own, or if you're feeling particularly ambitious, give Unity a try!

Art Lab

Each Monday, we will host an open lab to craft and create. October will feature some really special projects to highlight our love for our teens. So be sure to stop by!

Open Studio Session w/Gabe

Think of these sessions as open office hours, so if you've been wanting to learn basics or have specific questions in music production, stop by in this informal setting and get the assistance you need to level up.

AVS Crew

AVS stands for audio visual shorts and we will be focusing on the many aspects of filmmaking and podcasting. Let your passion be your guide and learn how to transform your vision into art.

Team Build: STEAM

Together let's create a some really cool STEAM stuff. Work alongside staff and a doctoral robotics candidate as we learn the amazing world of STEAM!

Finish A Project Friday

Today is the day to finish a project you started or finish a project that has been left behind.

Chisme Saturday

Join us for Chisme Saturday at the BBTTC! Spill the latest tea and enjoy some fun chat with friends. Whether it's books, movies, or just life, it's the perfect place to share and unwind.

Mindfulness with Therapy Dogs

Life can be stressful. Visit us and meet certified therapy dogs, they are excellent listeners.

Teen Film Club

Each month, we gather to watch a film, share our thoughts, and discuss its impact. This month, we're screening *Little Women* —a modern adaptation of the classic novel. Follow the inspiring journey of the four March sisters as they navigate love, loss and finding their place in the world during the Civil War era. See you there!

Princess and the Frog Snack & Show

Step into the magical world of Princess Tiana and capture the heart and soul of the bayou! Enjoy delicious, New Orleans-inspired treats while watching an enchanting performance that brings the beloved characters and music of the film to life.

Teenage Mutant Ninja Turtles Program

Create your own oozy, slime-filled terrarium with the Teenage Mutant Ninja Turtles! Get creative with this hands-on adventure!

KPOP Listening Party

Are you a KPOP fan? We are decorating some top loaders for our photocards. Join us as we talk about our favorite groups, enjoy Korean treats, and make some amazing pieces to keep your prized merch in!

Teen Advisory Group

Are you ready to make a difference in your community and have your voice heard? The Teen Advisory Group is looking for YOU to help shape the future of our community!
