Homework Help & Tutoring

Monday to Thursday
4pm-6pm
K-12th grade
Must bring homework
No tutors available
on school holidays

Regular Programs:

Teen Tuesday - Tuesdays 4-5PM

Join us in the Enterprise Teen Zone for a fun, decompressing activity. We will do something different & exciting every time!

Wednesday Teen Hangout - Wednesdays 4-5PM

Hangout with your friends after school on Wednesday afternoons! Come play video games, board games, create art, or just hang out.

3D Printing Certification Course - Sundays 3-4PM and Tuesdays 4:15-5:15PM

Learn the basics of using a 3D printer. By taking this course & passing, you will be certified to use any 3D Printing Station at The Library District. **Registration is required. Call 702-507-3761 on the day of the program to register.**

Teens' Beginner Sewing - Saturday April 12th 2-3PM

Get certified on how to use a sewing machine and then you can make fun projects. Space is limited. **Register at the Reference Desk the day of to save your spot.**

Advanced Teen Sewing - Saturday April 12th 3-5PM

After you are certified in the Beginners sewing class you will learn how to make different sewing projects or bring your own. This program requires registration and completion of the Beginners Teen Sewing program. **Register at the Reference Desk to save your spot.**

Crafternoon - Sunday April 13th 3-5PM

This month's Crafternoon is sure to shine some light in your life! Come make a pressed flower lamp with us. While supplies last.

Special Programs:

Forensic Science - Fingerprinting - Monday April 7th 6-7:30PM

Have you ever wondered what it is like to be a forensic scientist? Join us and find out! A former Latent Print Examiner will give a lecture on Tenprint and Latent Print and their use in the forensic community. You will then be guided through a hands-on lesson that will include how to take someone's fingerprints, how to dust for fingerprints, and how to compare fingerprints. **Online registration required.** All participants must be **16 years of age or older.**

Customer Appreciation Celebration - Wednesday April 9th

We can't wait to see you at our Customer Appreciation Celebration to commemorate the Library District's 60th anniversary! All attendees will enjoy: Giveaways & Library District swag, Raffles & prizes, Games, Crafts, Light refreshments. Free and open to the public. Supplies are limited and are available on a first-come, first-served basis. For more information, please call 702.507.3761.

Pinning our Thanks - Come see our new Makerspace and make a button while you're at it! We will show you how to use our button making machines, and you get to keep a button to remind you of how much the library appreciates you. Ages 10+.

We TOTally Appreciate You - Join us during this hands-on craft project from **3:00 pm to 4:30 pm**, in our Multipurpose Room, to create and make your very own tote bag. Staff will use a Cricut Heat Press machine to seal in your creativity. Enjoy a tote bag you can use all-year round! Ages 10+.

Teen Fold & Flip Creations - A special Teen Wednesday Hangout in our Teen Zone from **4:00 pm to 5:00 pm**. Today's project will be making book origami! Ages 12 - 18 (if still in high school).

Mini Soy Wax Flake Candles - From **5:00 pm to 6:00 pm** in our Multipurpose Room, we invite you to come make your very own mini soy wax flake candle to light up your space. Ages 10+.

Forensic Science - Blood Spatter - Monday April 14th 6-7:30PM

Have you ever wondered what it is like to be a forensic scientist? Join us and find out! A former Forensic Scientist will give a lecture on Blood Spatter analysis and its use in the forensic community. You will then be guided through a hands-on lesson that will include making your own blood spatter and learning to recognize what the different shapes can tell you. **Online registration required.** All participants must be **16 years of age or older.**

Forensic Science - Chemical Analysis - Monday April 21st 6-7:30PM

Have you ever wondered what it is like to be a forensic scientist? Join us and find out! A former Forensic Scientist will give a lecture on Chemical analysis and its use in the forensic community. You will then be guided through a hands-on lesson that will simulate instant drug tests. **Online registration required.** All participants must be **16 years of age or older.**

Explore Hawaiian Culture - Wednesday April 23rd 5:30-7:30PM

Join us to learn about the history, culture, traditions, language and arts of Hawaii. This is an ongoing class that people are welcome to join at any time.

Loteria - Saturday April 26th 3-5PM

Join us in playing Loteria, a family friendly game of chance, similar to bingo, that uses images on cards instead of calling out numbers. Free and open to the public. Seating is on a first-come, first-served basis and may be limited.

Read to Me! With Louie the Therapy Dog (and Karen) - Sunday April 27th 3-4PM

Join Louie the Dog (and Karen) on a special reading adventure! Bring your favorite book and read to Louie the Dog in a group setting. For youth ages 5 to 17 years old. Program is on a first come, first served basis and can hold at most 17 participants; tickets are available at the Information Desk 30 minutes prior to program start time.
