### Discover the World — Take Our FREE Summer Challenge & Win Great Prizes!

Make this summer memorable and build new skills with the Library District's annual [Summer Challenge](#) reading and activities program, running from May 15 – July 31.

Just enjoy reading whatever you or your kids like, and take part in fun and educational activities. For adults, you'll find live performances, classes, hands-on tech experiences, and gallery visits... and for kids and teens there are storytimes, makerspaces, crafts, and teen tech zones, which feature DJ labs, music production, green screen technology, 3D printing, and so much more. **And as always, everything is FREE at the library!**

By simply logging your reading and activities, you will earn an entry for fantastic prizes—everything from cool swag from NBA Summer League, Vegas Golden Knights, Las Vegas Raiders, and the Library District, to goodies from Handel's Homemade Ice Cream & Yogurt, Freed's Bakery, Raising Cane's, and Panda Express.

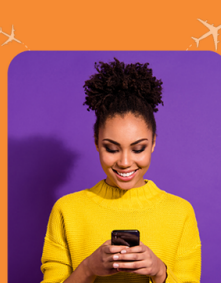

Whether you're discovering new stories or mastering fresh skills, every page and activity you complete brings you closer to big rewards—and an unforgettable summer.
