Art Lab

Mondays we will host an open lab to craft and create. June will feature some really special projects to highlight our love for our teens.

So be sure to stop by!

Media Shorts

On Tuesdays, we will be focusing on the many aspects of filmmaking and podcasting. Let your passion be your guide and learn how to transform your vision into art.

Team Build: STEAM

Together let's create some really cool STEAM stuff. Work alongside staff and a doctoral robotics candidate as we learn the amazing world of STEAM!

Finish a Project Friday

Today is the day to finish a project you started or finish a project that has been left behind.

Chisme Saturday

Join us for Chisme Saturday at the BBTTC! Spill the latest tea and enjoy some fun chat with friends. Whether it's books, movies, or just life, it's the perfect place to share and unwind.

Sunday Funday

Sunday's are for hanging out, playing games, and being low key. Come chill and get out of the heat.

The Twilight Saga-thon

Calling all Twilight fans and curious newcomers! Join us for a two-day binge of the entire *Twilight Saga*—from Bella's awkward first day in Forks to the epic vampire showdown. Come for the angst, stay for the werewolves, and debate whether you're *Team Edward* or *Team Jacob*. We'll have themed snacks and drinks. Come dressed as your favorite quote!

Twilight Book Nook

Create your own mini Twilight-themed book nook—those tiny dioramas that sit between your books! Design scenes inspired by Forks, the Cullen house, or the forest! All supplies provided.

Join the Force: Star Wars Costume Design

In collaboration with Saber Guild, learn the basics of costume-making and create your own Star Wars-inspired look! Whether you're a Jedi, Sith, droid, or rebel, we've got the tools and tips to help you bring your character to life! **Reservation required!**
