- Wacom drawing tablet,
- Robotics,
- Sewing,
- Homework,
- Resume help for teens
- Scholarship assistance
- & More!

BEST BUY™ TEEN TECH CENTER

Art Lab

Mondays we will host an open lab to craft and create. October will feature some really special projects to highlight our love for our teens.
So be sure to stop by!

Media Shorts

On Tuesdays, we will be focusing on the many aspects of filmmaking and podcasting. Let your passion be your guide and learn how to transform your vision into art.

Team Build: STEAM

Together let's create some really cool STEAM stuff. Work alongside staff and a doctoral robotics candidate as we learn the amazing world of STEAM!

Finish a Project Friday

Today is the day to finish a project you started or finish a project that has been left behind.

Chisme Saturday

Join us for Chisme Saturday at the BBTTC! Spill the latest tea and enjoy some fun chat with friends. Whether it's books, movies, or just life, it's the perfect place to share and unwind.

Sunday Funday

Sunday's are for hanging out, playing games, and being low key. Come chill and get out of the heat.

Anime Mondays

Do you like anime or manga? Come hang out with us and talk about your favorites. We will also show an episode and there may be a fun activity too!

Music Production 101

Learn the basics of music production from a pro and start creating your own sound in this hands-on workshop for aspiring teen artists. Whether you're a total beginner or just want to fine-tune your skills, this is your backstage pass to making music. Space is limited, reserve your spot today!

Teeny Tiny Crimes

Stop by on Fridays this October to get creepy and creative as we make our own "Who done it?" dioramas — come for the mystery, stay for the art!

Sew Creepy: Coraline Felt Workshop

In this workshop, sew your way into the world of *Coraline* by making hand-stitch felt versions of Coraline, Wybie, and the Other Mother.

Reservation required.

Taylor Swift Listening Party

Calling all Swifties! Come chill, craft, and sing along as we listen to *The Life of a Showgirl*. We'll make friendship bracelets, decorate heart-shaped sunglasses and have a sparkly, fun time!

GSA: Gay-Straight Alliance

Discussions, activities and projects based around equality. Whether part of the community or ally, we offer everyone a safe space to be themselves.

Mob Museum: Fingerprint Lab

Come learn with the Mob Museum how to identify fingerprints! Teens will investigate the science and history behind fingerprinting while they record and analyze their own prints.

Reminder!

The library will be CLOSED
Friday, October 31st!
