Free and open to the public. Ages 10+.

Chess Club – Friday October 10th and 24th 3:30-5PM

Want to learn how to play chess? Or looking to improve your game? Join fellow chess players for open play at the library. All skill levels are welcome. This program is open to all ages. We provide chess boards, but you are welcome to bring your own.

Teens' Beginner Sewing – Saturday October 11th 1:30-3PM

Get certified on how to use a sewing machine and then you can make fun projects. Space is limited. **Register at the Reference Desk or by calling 702-507-3761 to save your spot.**

Advanced Teen Sewing – Saturday October 11th 3-5PM

After you are certified in the Beginners sewing class you will learn how to make different sewing projects or bring your own. This program requires registration and completion of the Beginners Teen Sewing program.

Register at the Reference Desk or by calling 702-507-3761 to save your spot.

Crafternoon – Sunday October 19th

Come for the creativity, stay for the fun at our monthly Crafternoon held every third Sunday! Ages 10+. Perfect for individuals, friends, or families looking for a creative outlet. Free and open to the public. While supplies last.

"Foto" Fridays Photography Basics – Friday October 3rd and 17th 3:30-4:30PM

Join us in our Flex Lab to learn about photography basics in a hands-on environment. This program will cover concepts such as: the Exposure Triangle, Camera Modes, Composition, and more! Cameras will be available for use, but feel free to bring your own if you prefer. Free and open to the public. **Registration on the day of the program is required. Please call us at 702.507.3761.**

Digital Drawing – Friday October 10th and October 24th 11:30AM-12:30PM

During this session you will learn what a Wacom tablet is. Find out about what computer drawing program options there are. Learn about layers and how they can help your drawing. Plus, we will cover saving and printing your work. This is an instructional class, not a hands on lesson. Registration is not required, but seating is limited. Open to ages 10 and up.

Special Programs:

Investigating the St. Valentine's Day Massacre – Friday October 3rd 4-6PM

True crime meets history class! Examine the crime that turned people against Prohibition and introduced them to forensic science. Students also discover how firearms examiners analyze bullets. Presented by the Mob Museum. Seating is limited. **Tickets will be handed out at the Information Desk starting at 3:30PM.**

TeenTober Fingerprinting – Monday October 6th 4-5:30PM

Help us celebrate TeenTober at Enterprise Library by joining us to learn about fingerprints and their role in solving crime! You will also have your fingerprints taken and get a chance to identify what types of patterns you have. For ages 10-17, **registration required.** Call 702.507.3761 for more information. Warning: this class will be discussing some real crimes involving fingerprints, so there will be some discussion of violence.

Fall-O-Ween Fair – Saturday October 18th 11AM-3PM

Celebrate the season with games & prizes, live performers, crafts, & sweet treats! Embrace the spirit of Fall with a hint of Halloween. Costumes welcomed & encouraged! Free & open to the public. Feel free to dress up (no costume weapons, please) and join the fun — the day wraps up with a Costume Contest you won't want to miss. For more information, contact Enterprise Library at 702.507.3761.

Murder Mystery – Monday October 20th 3:30-5:30PM

Help us celebrate TeenTober at the Enterprise Library by joining us to solve a murder mystery! Put your crime-solving skills to the test and see if you can use the clues at the scene of the murder to figure out who done it! For teens ages 12 to 17 years old. Space may be limited. **Please pick up your ticket at the Information Desk starting at 3PM.**

Loteria – Saturday October 25th 3-5PM

Join us in playing Loteria, a family friendly game of chance, similar to bingo, that uses images on cards instead of calling out numbers. Free and open to the public. Seating is on a first-come, first-served basis and may be limited.
