Your EYESIGHT is IMPORTANT

Regular, comprehensive eye exams are essential, not just for uncovering vision, but for preventing eye diseases and detecting eye disease as early as possible. People with undetected eye disease can experience over 270 potentially avoidable complications, including blindness, heart disease, stroke, diabetes, and more. Regular eye exams can help detect and prevent these complications before symptoms appear, helping prevent vision loss and improve quality of life.

Tu VISIÓN es IMPORTANTE

Los exámenes oculares regulares y completos son esenciales, no solo para corregir la vista, sino también para detectar enfermedades oculares y problemas de salud más amplios en una etapa temprana y tratarlos.

Los exámenes oculares completos evalúan más de 250 enfermedades oculares y problemas de salud, como diabetes, hipertensión, enfermedades cardíacas y más. Los exámenes oculares (oftalmológicos y optométricos) también ayudan a detectar problemas de la vista que pueden afectar la calidad de vida.

¡Ven a tu examen de la vista hoy mismo!

Ven a visitarnos para un examen ocular completo, SIN COSTO.*

Nuestra oferta de exámenes en el lugar incluye:

- Examen de la vista
- Examen de la retina
- Examen de la presión intraocular
- Examen de la salud ocular

(sin costo para USTED).

Si se requiere atención adicional, te programaremos una cita en uno de nuestros ubicaciones participantes.
