together, we can feed everyone

## Regular Programs

### 3D Printing - Sundays 3-4PM and Tuesdays 4:15-5:15PM
Learn the basics of using a 3D printer. By taking this course & passing, you will be trained to use any 3D Printing Station at The Library District. **Online registration is required.** This class is free and open to the public for ages 10+. A library card is not required to attend the class; however, a library card in good standing is required to use the Library District's self-serve 3D printers.

### CrafTeen - Monday Mar 2nd and Mar 16th 4-5PM
**Mar 2nd - Paint Your Own Cat Lamp -** Get creative and light things up! You will paint your very own cat-shaped lamp. Perfect for your desk, nightstand, or cozy corner! Bring your creativity, hang out with friends, experiment with color, and leave with a one-of-a-kind glowing art piece to call your own. Free and open to the public, in the Enterprise Teen Zone. Seating is on a first-come, first-served basis and may be limited.
**Mar 16th - Terrariums-** Dig in and get your hands dirty, in the best way! Create your own Terrarium at the Enterprise Library. In this terrarium workshop, you will create your own mini living world using plants, soil, and decorative elements. Learn the basics of terrarium design and plant care, then customize your jar to match your style. It is part art, science, and totally relaxing! While supplies last. Free and open to the public, in the Enterprise Teen Zone. Seating is on a first-come, first-served basis and may be limited.

### Teen Tuesday - Tuesdays 4-5PM
**Mar 3rd -** Get Crafty - Let your creativity shine this Tuesday. Join us in the Enterprise Library Teen Zone.
**Mar 10th -** Game On - Get your game on in the Enterprise Library Teen Zone this Tuesday. Whether you are into board games or video games, there is something fun to play.
**Mar 17th -** Maker Break Bag - Turn your Spring Break into a Maker Break! We have fun kits to give away. Let your creativity shine this Tuesday. Join us in the Enterprise Library Teen Zone.
**Mar 24th -** Game On - Get your game on in the Enterprise Library Teen Zone this Tuesday. Whether you are into board games or video games, there is something fun to play.
**Mar 31st -** Crochet Corner - Join us in the Teen Zone for crochet. All skill levels are welcome, so even if you have never tried to crochet, here is your chance. Cute projects are available.

### Digital Drawing - Friday Mar 20th 11:30AM-12:30PM
Learn some digital drawing basics for the Wacom tablet in the Enterprise Library Maker Space. During this session you will learn what a Wacom tablet is. Find out about what computer drawing program options there are. Learn about layers and how they can help your drawing. Plus, we will cover saving and printing your work. Registration is not required, but seating is limited.

### Chess Club - Friday Mar 13th and Mar 27th 3:30-5:30PM
Want to learn how to play chess? Or looking to improve your game? Join fellow chess players for open play at the library. All skill levels are welcome. This program is open to all ages. We provide chess boards, but you are welcome to bring your own.

### Teens Sewing Classes - Saturday Mar 14th 1:30-5PM
Teens Intro to Machine Sewing and Safety. For teens ages 12 to 17. Start your sewing journey! Completion of this class grants you approval to access library sewing classes, events and open-sew labs at various locations. After the training portion of the class, you will complete your first project. If there is space, you can stay for the advanced class and work on your own projects with guidance. **Registration is required. Call or sign up at the Information desk. 702-507-3761**

### Crafternoon - Sunday Mar 15th 3-5PM
Learn how to make yarn pom poms while also making the perfect home decor! This month we will using pom pom makers from the Enterprise Library Maker Space to create your dream February home decor! Supplies will be provided on a first-come first-served basis and you are welcome to bring your own selection of yarn! This program is suitable for ages 10 and up.

### Dungeons & Dragons - Saturday Mar 21st 2-5:30PM
Looking for adventure? Join our monthly Dungeons and Dragons campaign! All experience levels welcome!

### Knitting Machine Training - Saturday Mar 21st 4-5PM
Learn the basics of our addiExpress Knitting machine. This training program is intended to show you the parts, assembling and dismantling of the addiExpress Knitting machine. You will also have a chance to practice casting yarn on and off of the machine. After taking this course, you can come into Enterprise Library's Makerspace and take advantage of our addiExpress knitting machines. Free and open to the public. **Online Registration opens 24 hours before the start of class**. Ages 10+.

## Special Programs

### Battle Jackets Sewing Club - Sunday Mar 1st 12:30-5:30PM
Open to all ages and welcomes anyone interested in sewing, personalizing their clothing, and expressing their individuality. Bring your sewing projects and work on personalizing jackets, vests, and other garments with patches and decorations. Meet others experienced in this area.

### Learn How to Draw with a comicbook and fantasy artist - Thursday Mar 5th 5:30-7PM
Are you ready to bring your ideas to the page? This is the perfect place to begin or continue your journey into the world of illustration! This is a 3-class series, so every class will be different but you don't need any of the previous classes to enjoy the next! What You'll Learn: Drawing Fundamentals, Character Design, Basic Construction and gestures, Composition, and more! All skill levels welcome! We all learn at our own pace and we will all go home having learned something different, even if we all participated in the same lecture. All supplies provided. Free and open to the public on a first-come, first-served basis while seating lasts.

### Unity Game Development Classes - Saturday Mar 7th 3:30-5:30PM
Ever thought about making a videogame or a productivity app or even an animated movie but don't know how to get started? Then this is the perfect meeting for you! This is a monthly meeting for the game development engine Unity. All skill levels welcome. Join us at the Las Vegas Unity3D Meetup for informative lectures and presentations, and a chance to meet others involved and/or interested in game development. For specific meeting details, check out the Meetup page, maintained by the instructor himself: https://www.meetup.com/meetup-group-vmvwjqsn/. It is not mandatory but we highly recommend bringing a laptop, or any portable setup, with Unity installed so you can follow along. The meeting will be hosted by Dustin Adair. An indie Unity developer with over 15 years of experience and eight released games. This program is free and open to the public while seating lasts. For more information, please call 702.507.6027.
