Women United's 18th Annual Suit Drive

### Donate a Suit & Change a Life!

The Library District is once again partnering with United Way of Southern Nevada for the Women United Suit Drive. The initiative provides new and gently used business attire, uniforms, accessories, and more to help local residents prepare for career opportunities and success in the workplace. Last year's drive collected over 17,000 items! Join us in making a positive impact on the lives of women in our community by donating items during February.
