Sunday Funday

Sunday's are for hanging out, playing games, and being low key. Come chill with us.

Chisme Saturday

Join us for Chisme Saturday at the BBTC! Spill the latest tea and enjoy some fun chat with friends. Whether it's books, movies, or just life, it's the perfect place to share and unwind.

Freeplay Friday

Today is the day to indulge in some fun times with board games and more!

Media Shorts

On Wednesdays, we will be focusing on the many aspects of filmmaking and podcasting. Let your passion be your guide and learn how to transform your vision into art.

STEAM Team

Together let's create a some really cool STEAM stuff. Work alongside staff and a doctoral robotics candidate as we learn the amazing world of STEAM!

Art Studio

We will host an open lab to craft and create. Come watch the demo and give it a try. So be sure to stop by!

Super Mario Game Day

Power up and join us for Super Mario Game Day! You can compete in a Mario Kart tournament and enjoy other Mario-themed games. There will be prizes and fun themed snacks and drinks to keep everyone energized. All skill levels welcome!

Fixing Your Clothes

Got a tear on your favorite tee? Your new pants need some trimming? Something in your closet needs a little repair? Bring in your clothes and we will teach you how to fix them!

Ferngully Snack & Show

Celebrate Green Week with a special screening of Ferngully in the Teen Lounge while enjoying themed snacks and drinks! This fun and relaxing event highlights the importance of caring for our environment while sharing a classic story about nature, friendship, and protecting the earth. **Registration required.**

GSA: Gay-Straight Alliance

Discussions, activities and projects based around equality. Whether part of the community or ally, we offer everyone a safe space to be themselves.

Music Production 101

Learn the basics of music production from a pro and start creating your own sound in this hands-on workshop for aspiring teen artists. Whether you're a total beginner or just want to fine-tune your skills, this is your backstage pass to making music. Space is limited, first come first serve.
