Regular Programs

Knitting Machine Training - Saturday Apr 4th and Apr 18th 4-5PM

This training program is intended to show you the parts, assembling and dismantling of the addiExpress Knitting machine. You will also have a chance to practice casting yarn on and off of the machine. After taking this course, you can come into Enterprise Library's Makerspace and take advantage of our addiExpress knitting machines. Free and open to the public. **Online Registration opens 24 hours before the start of class.** Ages 10+.

3D Printing - Sundays 3-4PM and Tuesdays 4:15-5:15PM

Learn the basics of using a 3D printer. By taking this course & passing, you will be trained to use any 3D Printing Station of The Library District. **Online registration is required.** This class is free and open to the public for ages 10+. A library card is not required to attend the class; however, a library card in good standing is required to use the Library District's self-serve 3D printers.

CrafTeen - Monday Apr 6th and Apr 20th 4-5PM

Apr 6th - Woodland Animals Cross-Stitch - Learn the basics of cross stitch while creating your own adorable woodland creature design- think foxes, owls, deer, and more! This beginner-friendly workshop will guide you through simple stitching techniques, pattern reading, and finishing tips. All supplies are provided, and you will leave with a handmade piece perfect for decorating your room or gifting to a friend. No experience needed. Just bring your creativity! Free and open to the public. Seating is on a first come, first served basis, and may be limited. While supplies last.

Apr 20th - Make Your Own Candle- Want to create something that looks amazing and smells great? Join us at Enterprise Library where we will make candles that do not require heat to make. Come get creative and make something that really shines! Free and open to the public. Seating is on a first-come, first-served basis and supplies may be limited.

Teen Tuesday - Tuesdays 4-5PM

Apr 7th - Game On - Get your game on in the Enterprise Library Teen Zone this Tuesday. Whether you are into board games or video games, there is something fun to play.

Apr 14th - Sand Art Bottles - Join us in the Teen Zone and make a sand art bottle! All skill levels are welcome.

Apr 28th - Crochet Corner - Join us in the Teen Zone for crochet. All skill levels are welcome, so even if you have never tried to crochet, here is your chance.

Digital Drawing - Wednesday Apr 29th 4:30-5:30PM

Learn some digital drawing basics for the Wacom tablet in the Enterprise Library Maker Space. During this session you will learn what a Wacom tablet is. Find out about what computer drawing program options there are. Learn about layers and how they can help your drawing. Plus, we will cover saving and printing your work. Registration is not required, but seating is limited to the first 5 people.

Chess Club - Friday Apr 10th and Apr 24th 3:30-5PM

Want to learn how to play chess? Or looking to improve your game? Join fellow chess players for open play at the library. All skill levels are welcome. This program is open to all ages. We provide chess boards, but you are welcome to bring your own.

Teens Sewing Classes - Saturday Apr 11th 1:30-5PM

Teens Intro to Machine Sewing and Safety. Start your sewing journey! Completion of this class grants you approval to access library sewing classes, events and open-sew labs at various locations. After the training portion of the class, you will complete your first project. If there is space, you can stay for the advanced class and work on your own projects with guidance. **Registration is required. Call or sign up at the Information desk. 702-507-3761**

Crafternoon - Sunday Apr 19th 3-5PM

Finding color and inspiration from nature! Join us for an afternoon of watercolor painting! We'll be using spring florals and painting canvases inspired by the colors we find. Supplies will be provided on a first-come first-served basis. Free and open to the public, for ages 10 and up.

Dungeons & Dragons - Saturday Apr 18th 2-5:30PM

Looking for adventure? Join our monthly Dungeons and Dragons campaign! All experience levels welcome!

Special Programs

Learn How to Draw with a comicbook and fantasy artist - Thursday Apr 2nd 5:30-7PM

Are you ready to bring your ideas to the page? This is the perfect place to begin or continue your journey into the world of illustration! This is a 3-class series, so every class will be different but you don't need any of the previous classes to enjoy the next! What You'll Learn: Drawing Fundamentals, Character Design, Basic Construction and gestures, Composition, and more! All skill levels welcome! We all learn at our own pace and we will all go home having learned something different, even if we all participated in the same lecture. All supplies provided. Free and open to the public on a first-come, first-served basis while seating lasts.

Unity Game Development Classes - Saturday Apr 4th 3:30-5:30PM

Ever thought about making a videogame or a productivity app or even an animated movie but don't know how to get started? Then this is the perfect meeting for you! This is a monthly meeting for the game development engine Unity. All skill levels welcome. Join us at the Las Vegas Unity3D Meetup for informative lectures and presentations, and a chance to meet others involved and/or interested in game development. For specific meeting details, check out the Meetup page, maintained by the instructor himself: <https://www.meetup.com/meetup-group-vmvwjqs/>. It is not mandatory but we highly recommend bringing a laptop, or any portable setup, with Unity installed so you can follow along. The meeting will be hosted by Dustin Adair. An indie Unity developer with over 15 years of experience and eight released games. This program is free and open to the public while seating lasts. For more information, please call 702.507.6027.

A Guide to Social-Emotional Learning - Monday Apr 13th 4:30-5:30PM

This workshop is designed to introduce parents/caregivers to the keys of social and emotional learning (SEL). Social and emotional learning (SEL) is beneficial for children of all ages and can help them to: develop and maintain positive relationships, become lifelong learners, and contribute to a caring society. For families with children in Pre-K through 12th grade. Open and free to the public, however **registration is required.** Please call 702.507.3764 for more information. Presented in partnership with the University of Nevada, Reno Extension - Partners in Parenting.

Customer Appreciation Day - Tuesday Apr 21st All Day

The library will have various activities for all ages all day. Teens will be able to do a challenge where they have to guess the book title based off of a series of emojis, this will be available all day in the Teen Zone.

Mother's Day Crafting - Monday Apr 27th 3:30-5PM

Celebrate mom with some handmade gifts straight from the heart, at Enterprise Library! For youth of all ages. You are invited to create a special Mother's Day craft!
